

**NEW NEW NEW NEW NEW NEW NEW NEW NEW**

## **PRO-QUIK™ Tapping Attachments makes changing taps a “snap”!**

**TRU-TAP for CNC Machines**

**“E” Series for Drill Presses**

Our new line of quick-change spindles were designed to make changing taps easier and faster ... you simply “snap in” or “snap out.” **PRO-QUIK** spindles are available for our TRU-TAP™ CNC and “E” Series Reversing Tapping Attachments in sizes from 0-1/2" capacity.

### **TRU-TAP CNC & “E” Series Attachments feature:**

- ★ Instantaneous reverse *without reversing* machine motor
- ★ No tap overtravel ... excellent for blind or shallow holes.
- ★ Program either using canned bore cycle or line-by-line for 2:1 reverse ratio.
- ★ No need to under feed ... program feed rates at 100%.
- ★ **Accurate** depth repeatability within 1/3 turn.
- ★ Horizontal or vertical use.
- ★ Right- or left-hand available.
- ★ High-speed ... up to 3000 RPM.
- ★ Bronze bushings at wear points, supporting the spindle from shank to chuck.
- ★ Extremely sensitive friction clutch engages conical surfaces of drive and reverse shells with smooth, “cushioned” action, allowing sensitive operator feel. Assures automatic tap protection.
- ★ Double row precision ball bearing for rigid shank support.
- ★ Balanced, heat treated gear reversing mechanism minimizes strain and wear.
- ★ Reverses at twice forward speed to increase productivity 33% and avoid tap jamming.

***procunier ... the most respected name in tapping.***

## TRU-TAP CNC Attachments Ordering Information

ORDER NO.	SHANK	STYLE	CAPACITY [CUT THREAD]		MAX SPEED	LIST PRICE
			ALUMINUM	MILD STEEL		
15001QC	1" STRAIGHT SHANK	#1 TRU-TAP (FADAL) w/Bracket	#00-1/4" M2-M6	#00-#10 M2-M5	3000 RPM	\$668.00*
15008QC	3/4" STRAIGHT SHANK	#1 TRU-TAP	#00-1/4" M2-M6	#00-#10 M2-M5	3000 RPM	740.00*
15010QC	1" STRAIGHT SHANK	#1 TRU-TAP	#00-1/4" M2-M6	#00-#10 M2-M5	3000 RPM	740.00*
15040QC	1" STRAIGHT SHANK	#1 TRU-TAP COMPLETE w/40 V-Flange & Bracket	#00-1/4" M2-M6	#00-#10 M2-M5	3000 RPM	818.00*
16001QC	1" STRAIGHT SHANK	#2 TRU-TAP (FADAL) w/Bracket	#8-1/2" M4-M12	#8-5/16" M4-M8	2500 RPM	808.00**
16008QC	3/4" STRAIGHT SHANK	#2 TRU-TAP	#8-1/2" M4-M12	#8-5/16" M4-M8	2500 RPM	880.00**
16010QC	1" STRAIGHT SHANK	#2 TRU-TAP	#8-1/2" M4-M12	#8-5/16" M4-M8	2500 RPM	880.00**
16040QC	1" STRAIGHT SHANK	#2 TRU-TAP COMPLETE w/40 V-Flange & Bracket	#8-1/2" M4-M12	#8-5/16" M4-M8	2500 RPM	958.00**

## "E" Series Attachments Ordering Information

ORDER NO.	SHANK	STYLE	CAPACITY [CUT THREAD]		MAX SPEED	LIST PRICE
